

EULA

CO2in Mobile Application

(Demo Version)

1. GENERAL

- 1.1. This End User License Agreement (the “EULA”) applies to the use of CO2in Mobile Application (in the form of demo version) which is intended to connect the best practices from cryptocurrencies and the energy industry to help the global environment (the “**Mobile Application**”). By downloading, browsing, accessing or using the Mobile Application and our Services, you confirm that you have read this EULA and that you agree to be bound by this EULA. This EULA outlines your rights and obligations when using our Mobile Application and the Services.
- 1.2. We reserve the right to amend this EULA at any time. If you disagree with any provision of this EULA, you must immediately discontinue your access to and use of the Mobile Application or any our Services. Continued use of the Mobile Application constitutes acceptance of this EULA, as may be amended from time to time.

2. DEFINITIONS

- 2.1. In this EULA, the following capitalized terms shall have the following meanings, except where the context otherwise requires:
Terms such as “**ROAD TO INTEREST**”, “**we**”, “**us**” and “**our**” refer to ROAD TO INTEREST s.r.o., company ID no. 24708712, which is governed by the laws of the Czech Republic and seated at Pobežní 620/3, Prague, 186 00, Czech Republic.
“**Account**” means an account created by a User on the Mobile Application during Registration.
“**Coin**” means CO2in – a cryptocurrency fixed to the amount of CO2 emissions.
“**EULA**” means this End User License Agreement.
“**Privacy Policy**” means Privacy Policy available at: [to be completed].
“**Register**” means to create an Account on the Mobile Application and “**Registration**” means the act of creating such an Account.
“**Services**” means all the services provided by us via the Mobile Application to the Users.
“**Users**” means users of the Mobile Application including you and “**User**” means any one of them.

3. THE MOBILE APPLICATION AND THE SERVICES

- 3.1. The Mobile Application represents a free-to-use demo version of a trading platform where Users can buy and trade with CO2in (also Coin) – a cryptocurrency fixed to the amount of CO2 emissions. One emissions permit is considered equivalent to one metric ton of carbon dioxide (CO2) emissions (1 permit = 100 Coins = 1 ton of CO2). The permits are tradable via EU Emissions Trading System (EU ETS).
- 3.2. Currently, the Mobile Application is available only in the form of a demo version that can be installed exclusively on devices equipped with iOS Operating system.
- 3.3. The main purpose of the Mobile Application (demo version) is to educate the Users about topics related to environmental pollution and carbon footprint. The Mobile Application (demo version) will teach the Users how they can use the Mobile Application to reduce their own carbon footprint and thus protect our global environment.
- 3.4. Once you download and install the Mobile Application and successfully complete the Registration process, you will be able to try out the features and functionalities of the Mobile Application. In particular, you will be able to get familiar with: (i) how buying Coins can help the global environment and reduce your carbon footprint; (ii) financial aspects of buying and selling the Coins and related use of your EUR and Coin wallets; and (iii) how to work with the Mobile Application as a User and pass necessary validation. Please note that the Mobile Application is currently available only as a demo version and therefore no actual transactions can be made within the Mobile Application (the Mobile Application is not connected to a real payment gate yet).
- 3.5. You are aware of the fact that the ability to use the Mobile Application and the Services is dependent on the following conditions for which we are not responsible: (i) the availability of the User’s internet connection (including a backup internet connection) with sufficient capacity to provide the Services; (ii) the proper functioning of the equipment used by the User when using the Mobile Application and the Services (software, hardware, etc.); and (iii) the proper functioning of Internet connection between the User and the data center from which the Services are provided. For the

avoidance of doubt, the provision of the Services and the Mobile Application does not include the provision of a mobile telephone or handheld device or other necessary equipment to access the Mobile Application or the Services. To use the Mobile Application or the Services, you will need Internet connectivity and appropriate telecommunication links. You acknowledge that the terms of agreement with your respective mobile network provider (the “**Mobile Provider**”) will apply when using the Mobile Application. As a result, you may be charged by the Mobile Provider for access to network connection services for the duration of the connection while accessing the Mobile Application or any such third-party charges as may arise. You accept responsibility for any such charges that arise.

- 3.6. We reserve the right to change, modify, substitute, suspend or remove without notice any information or Services on the Mobile Application from time to time. Your access to the Mobile Application and/or the Services may also be restricted to allow for updates, repairs, maintenance or the introduction of new features or services. We will attempt to restore such access as soon as we reasonably can. For the avoidance of doubt, we reserve the right to withdraw any information or Services from the Mobile Application at any time.

4. OBLIGATIONS OF THE USERS

- 4.1. As a User you are obliged to:
- use the Mobile Application and the Account only in accordance with the purpose designated by us;
 - use the Mobile Application and the Account, including all Services, in accordance with this EULA and applicable laws;
 - secure the Account with a username, password and PIN code and implement and maintain standard security processes (including adequate technical, administrative and physical safeguards) to protect all Account access data and prevent unauthorized use or unauthorized access to the Account;
 - maintain the confidentiality of the information necessary to access its Account and must not allow the use of the Account by third parties;
 - inform us of any unauthorized use or unauthorized access to the Account and ensure timely revocation / replacement of potentially or actually compromised access data.
- 4.2. Without our express prior written consent, the Users shall not, nor allow any third party: (a) decompile, disassemble or reverse engineer the Mobile Application, including any Services provided; (b) remove, modify or obscure any copyright or proprietary notices contained in the Mobile Application or the Services; (c) use the Mobile Application, including any Services provided, to create a similar or competitive product or service; (d) gain unauthorized access to the Mobile Application (e.g. through another system or tool); (e) use the Mobile Application, including any Services provided, in a manner that violates applicable law or violates any third party privacy or intellectual property rights; (f) publish, post, upload or otherwise transmit through the Mobile Application or the Services any data that contains viruses, Trojans, worms, time bombs, corrupted files or other computer programs or procedures that are capable of being harmed, harmed, invisibly captured or appropriate any systems, data, personal information or property of someone else; (g) transmit spam, chain messages or other unsolicited communications through the Mobile Application or the Services; (h) violate the integrity or security of the Mobile Application, including any Services provided; or (i) take any action that may or may impose a disproportionate or disproportionate burden on our infrastructure.
- 4.3. You warrant that all information provided during the Registration and contained as part of your Account is true, complete and accurate and that you will promptly inform us of any changes to such information by updating the information in your Account. We are not obliged to verify the correctness, accuracy, timeliness and truthfulness of any information provided by you.
- 4.4. If you are not the bill payer for the mobile telephone or other handheld device being used to access the Mobile Application, you will be assumed to have received permission from the bill payer for using the Mobile Application.
- 4.5. By submitting any text, images or other data (the “**Material**”) via the Mobile Application, you represent that you are the owner of the Material or have proper authorization from the owner of the Material to use, reproduce and distribute it. You hereby grant us a worldwide, royalty-free, non-exclusive license to use the Material to promote any products or services. We reserve the right to block access to and/or to edit or remove any Material which in our reasonable opinion may give rise to a breach of this EULA.

5. PERSONAL DATA PROTECTION

5.1. The User acknowledges and agrees that the processing of personal data by us is governed by Privacy Policy which is considered an integral part of this EULA.

6. UNDERAGE USERS

6.1. Our Mobile Application and Services are not intended for and we do not direct them to anyone under the age of 18 (eighteen).

6.2. In the event that the information you provide in this regard is not truthful, we shall not be liable as we cannot verify the age of our users.

6.3. If you are under the age of 18 (eighteen), you may not use the Mobile Application or the Service without the approval of a parent or guardian.

7. INTELLECTUAL PROPERTY

7.1. The User acknowledges and agrees that we remain the exclusive holder of all rights relating to the Mobile Application and the Services and that the Mobile Application and the Services are protected by copyright laws and other related regulations. The User is granted only the right to use the Mobile Application and the Services to the extent necessary for the use of the Mobile Application and the Services in accordance with their purpose and purpose stipulated by this EULA.

7.2. Nothing in this EULA or any other document shall be construed as granting, assigning or transferring any intellectual property rights to the Mobile Application or the Services and any parts thereof, know-how, trade secrets, documents, technologies, patents or expertise owned by us or used in operation of the Mobile Application and provision of Services by us to the User.

7.3. The User shall not sell, license, sublicense, lease, rent, distribute, disclose, permit access to, or transfer to any third party, whether for profit or without charge the Mobile Application.

7.4. User shall not without a prior written approval given by us rename the Mobile Application, or remove its identifications, copyrights, logotypes, logomarks, trademarks or other intellectual property notices, information or acknowledgements. Any our logomarks and trademarks are and shall remain our sole property. The User shall always comply with our guidelines, instructions and requirements.

7.5. When using the Mobile Application and the Services, the User is always obliged to proceed in such a way that it does not violate any our rights and acts in accordance with the laws, especially with legal norms relating to copyright. We may restrict the use of the Mobile Application or the Services if the User breaches this EULA.

8. LIMITATION OF LIABILITY

8.1. The Mobile Application and the Services are provided to the Users AS-IS. The User expressly agrees that use of the Mobile Application and the Services is at the User's sole risk. Neither we, nor our employees, affiliates, agents, distributors, resellers, or the like, warrant that the Mobile Application and the Services will not be interrupted or error free; nor do they make any warranty as to the results that may be obtained from the use of the Services or as to the accuracy, reliability or content of any information or service contained in or provided through the Mobile Application and the Services.

8.2. The User further acknowledges and agrees: (a) that it is solely responsible for proper use of the Mobile Application, and (b) that it shall have no remedy for any failure of the Mobile Application.

8.3. Under no circumstances, including negligence, shall we, our officers, agents or anyone else involved in creating, producing, or distributing the Mobile Application and the Services be liable for any direct, indirect, incidental, special or consequential damages that result from the use of or inability to use the Mobile Application and the Services; or that results from mistakes, omissions, interruptions, deletion of files, errors, defects, delays in operation, or transmission or any failure of performance, whether or not limited to acts of God, communication failure, theft, destruction or unauthorized access to our records, programs or services.

8.4. Except as expressly set forth in this EULA, we make no warranties, express, implied or statutory, relating to anything within the scope of the contract between you and us. All implied warranties of merchantability, fitness for a particular purpose, noninfringement, compatibility, title, usage of trade and course of dealing are expressly disclaimed and excluded. This disclaimer applies to, but is not limited to, all software, goods, improvements, equipment, and services provided by us to the User.

9. MISCELLANEOUS

9.1. To the extent permitted by law, this EULA, as well as provision of

our Services, are governed and construed in line with the Czech law, and any dispute arising in connection with this EULA and our services shall be settled solely at the competent court in the Czech Republic.

9.2. If any part of this EULA becomes invalid, legally ineffective or non-binding, the other parts of this EULA shall survive. In such a case, the invalid provision shall be enforced in full in accordance with the applicable law, and you shall adopt measures with an effect similar to the invalid, legally ineffective or non-binding measure, in accordance with the content and purpose of this EULA.

9.3. We may update this EULA by publishing updated EULA via the Mobile Application, and these shall apply and become effective from the date of such publication. By log-in and using the Mobile Application, as well as using any of the Services, you agree with the current wording of our EULA and you undertake to follow them.

9.4. Once a full version of the Mobile Application will be released, its Users will be required to agree with new EULA before proceeding with its use.

9.5. The User may not assign any rights or obligations towards us to any third party without our prior written consent.

9.6. Nothing in this EULA confers or purports to confer on any third party any benefit or any right to enforce any term of this EULA.

This EULA enters into force and becomes effective as of [to be completed].
